The Chairman agreed, but also suggested that the Parish Council might like to consider a P.O. FC268/10/2017	<p>Correspondence: Electoral Review - The Chairman referred to correspondence from the Borough requesting opinions with regards to boundary changes which would probably result in Hurley and The Walthams having a reduction of Borough Councillors from 3 to 2. Clive Scott-Hopkins stated that WSL is the most rural of all the RBWM parishes with 17 villages and hamlets and such a reduction would make it virtually impossible for the Borough Councillors to properly serve their constituents.
