The pond at Shurlock Row	Open area of still water	Drowning, poisoning and injury by hidden obstacles in the water	Everyone.	HIGH	This area of land is not on our asset register so is most probably not owned by us and we may not be liable for any claims. However, we do maintain the grass and this may cause us to have taken on some responsibility. It is strongly advised that professional advice is taken with regard to our liability. If we are liable I advise we use a professional safety adviser to set up any necessary installations eg lifebelt. The Chairman is researching ownership.
