

Many thx to the Parish Council for inviting Waltham St Lawrence CC to their AGM tonight

Ok, who's been down to the cricket club recently?

Who doesn't know where it is?!

I'm going to spend a few minutes to let you know the history, the present and the future for the club

Any ideas on how old the club is?

It's actually just over 170 years old and has always been in the same vicinity, namely Shurlock Row

COLTS – last colts were set up exactly 10 years ago, and since then almost every youth player is able to play at a senior level today, with many having done so.

The colts were actually set up from yr6 at WSL Primary school and were therefore all local

Outside of cricket

Club has hosted the Parish Fete for the last few years and hopefully will continue to do so given the space, easy car parking AND the fete music event

The club is going to have it's 6th annual outdoor music event this July with many of our Parishioners and their children attending

We have also been hosting an annual charity game, traditionally lads v dads with the current score being 2-2, so this July 9th come down, and support GOSH, and have a good chuckle at the ramshackle Dad's team – of which I'm one!

Tomorrow

So that's a little on the history, and what we are up to today from traditional cricket to hosting some large events which have brought many compliments

For tomorrow, we would love to have a proper clubhouse which could be open all year round for all to enjoy. We are going to start investigating grants etc, though its going to be expensive...

We are looking for something like this.....

Only kidding, as if we would really get away with it!

Seriously though, the Parish has a great facility with many having significant parties, christenings, even the odd wedding reception. It's very well equipped with kitchen, bar, new furniture including dining. Feel free to take a look at the website for more pictures and information or call me....
